ORDER

This case is set for trial on May 29, 2007, but because I extended the time for filing motions, there is not sufficient time for me to rule those motions before trial. The parties have filed a joint request to stay all pretrial deadlines and remove the case from the trial docket until the Court has ruled on their pending cross-motions for summary judgment. I will grant their request and remove the case from the trial docket. It will be reset at a later time if needed. The parties are cautioned that this does not reopen any case management deadlines that have already passed. Accordingly,

IT IS HEREBY ORDERED that the joint motion [#76] is granted to the extent that this case is removed from the May 29, 2007 trial docket and will be

reset at a later time. The parties' obligation to file pretrial submissions and motions in limine is suspended pending entry of the new trial date.

CATHERINE D. PERRY
UNITED STATES DISTRICT JUDGE

Dated this 24th day of April, 2007.
